

## PIZZA HUT CUT TABLE Model #PHCT6DL

### PIZZA HUT CUT TABLES

#### Components:

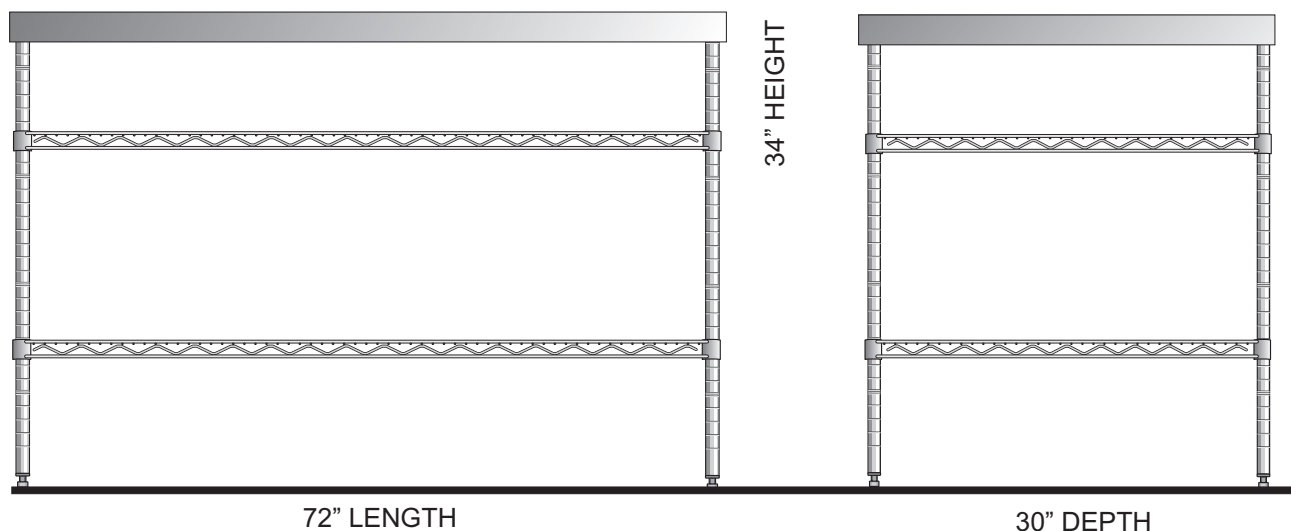

- Work Surface
  - 18 gauge, type 304 foodservice grade stainless steel overlay
- Wire Shelf under work surface for unit rigidity and complete surface support
- Wire Storage Shelf for wraps and boxes
- Weight capacity of Cut Table = 600 pounds
- Easy to assemble without any tools using the Super Erecta shelving system

**Sanitary:** The Work Surface is completely smooth for ease of cleaning and all remaining components are finish with Metroseal III with Microban.

Microban deters the growth of bacteria and mold.

#### NSF:

All components are manufactured per the NSF specifications and are NSF listed.
